

REMARKS

The changes are needed for proper disclosure and compliance with the Notice of Draftsperson's Patent Drawing Review.

No substantial amount of additional work is required on the part of the PTO, because only drawing shadings are changed.

Respectfully submitted,

William R. Evans

### IN THE DRAWINGS

In Figs. 5-11, members 6, 7, 9, 8, 7, 10 and 6, respectively, were originally shaded to indicate heating. On the attached replacement sheets of these Figs. the shading is replaced zig-zag phantom lines that may suggest heating by zig-zag resemblance to electrical resistance but do not introduce such electrical resistance because in phantom lines.

In Figs. 9-11, more familiar liquid-indicating shading is used for ink 14.
